

Christmas Paper Garland Tutorial

To make beautiful Christmas garlands, **you'll need:**

- A sewing machine, or needle and thread
- Red and green craft paper (or any colours you choose)
- Old Christmas cards (optional)
- A circle punch, or scissors

Step 1: Use the circle punch or scissors to cut out circles of paper and card. Keep going until you have enough circles to make your chain as long as want.

Step 2: Set up your sewing machine to a long, straight stitch.

Step 3: Slowly feed one circle into the needle and backstitch to secure the thread. Continue feeding circles in to create a long chain, alternating between colours and card. If you're hand-sewing, use a long running stitch and try to avoid creasing the paper. When you reach the end, backstitch again to finish your thread.

Step 4: Hang up wherever you choose!
